DeMarche announced the Best 100 U.S. Companies for Shareholder Value for the year ended December 31, 2011. Based upon proprietary research and each company's fundamental analysis, these 100 organizations are recognized as the best companies for achieving regular performance within the top three percent of all major U.S. corporations.

[Defined Benefit](#)

This status recognizes the highly successful management of growth and risk factors as measured by DeMarche's exclusive migration tool to attain consistency in fundamental shareholder value.
